**We are looking for** someone who has worked as an accountant for at least 4-5 years, and has an in depth understanding of Accounting Entries and Statutory compliances.

#### **You will**

- Maintain timely and accurate record of all accounting and finance transactions in books of accounts
- Ensuring all Statutory filings are done timely in coordination with the consultants
- Preparation of internal MIS and investor reports

That's it.

If this sounds like your kind of challenge, take our screening test. We are eager to be impressed by you.

# PEOPLE PRACTICES

## WFH

---

We're currently in work-from-home mode. Anyone who's keen to join us is welcome to work from wherever they are comfortable.

## Caravan

---

Every quarter, or when the pandemic allows, we bring the whole team together for a co-working and co-living experience in interesting, safe locations. WFH continues, but it can never replace the human bonds we cherish (and miss) so much.

## Gifts of Growth

---

Every quarter, we come together to appreciate each other's awesomeness, and help each other grow through our challenges. We find this gifting season far more rewarding than performance reviews.

## Uppraisals

---

Every year, we give flat increments across the organisation, plus ESOPs to every person regardless of their role or experience. We've chosen holistic, collective growth over competitive, individual gain.
